Founders, Guadalupe Workers (*GuadalupeWorkers.org*)

You are invited and encouraged to join with other parishioners in fervent prayer for the sanctity of Life, as our Monroe Family of Parishes gathers with thousands of other pro-life advocates in the Archdiocese of Detroit and throughout the United States.

Together we are called to build a culture of life, a renewed respect for life and advocate for the legal protection of unborn children. As we witness to the sanctity of life, with prayer and God's Grace, He can change the minds and hearts of those still searching for moral truth regarding the personhood and dignity of each unborn child.

"Only with prayer—prayer that storms the heavens for justice and mercy, prayer that cleanses our hearts and souls—will the culture of death that surrounds us today be replaced with a culture of life."
